

WOODLAND CRITTER BOOKMARKS

Squirrels, raccoons, deer, porcupines, foxes, and rabbits are just a few of the many animals that live in woodland forest habitats! All of these animals are considered mammals, which means they have fur, are warm-blooded, and have a backbone.

MATERIALS YOU'LL NEED:

- Printer
- Scissors
- Coloring supplies (crayons, colored pencils, markers)
- Popsicle stick (Jumbo size works best)

STEP 1

Cut out an animal from the attached page.

Hint: you can cut in a circle to make it easier

STEP 2

Color your woodland creature!

STEP 3

Turn over and add glue to the backside, then press popsicle stick down.

STEP 4

Add your name to the popsicle stick, so you know it is yours.

HAPPY READING!
