

BROOKLYN BRIDGE PARK CORPORATION

Fiscal Year 2022 Measurement Report

In Fiscal Year 2022, Brooklyn Bridge Park Corporation has and will continue to:

- Construct Brooklyn Bridge Park (the “Park”) with the funds received from the City of New York and the State of New York;
- Maintain and operate the Park with revenues generated by the Park’s development sites, permitting and concessions;
- Work towards achieving financial self-sustainability through the development sites within the project footprint;
- Attract park users from a wide range of communities in the New York region; and
- Create and maintain a world class park that is a recreational, environmental and cultural destination enjoyed by the residents of, and visitors to, New York City.
